SOLUTIONS FOR CHILDREN, FAMILIES  
& COMMUNITIES

ANNUAL REPORT 2017

**FORWARD TOGETHER**

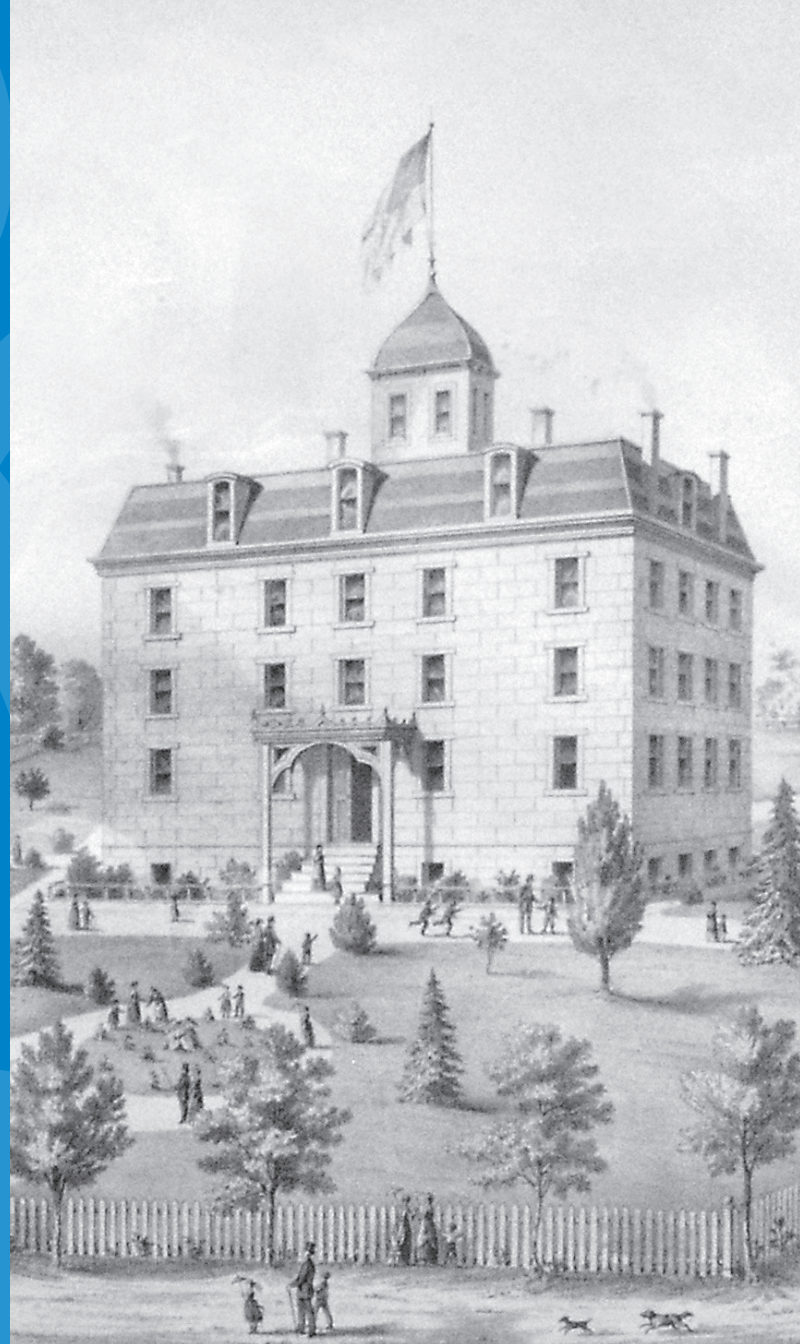

# ABOUT US

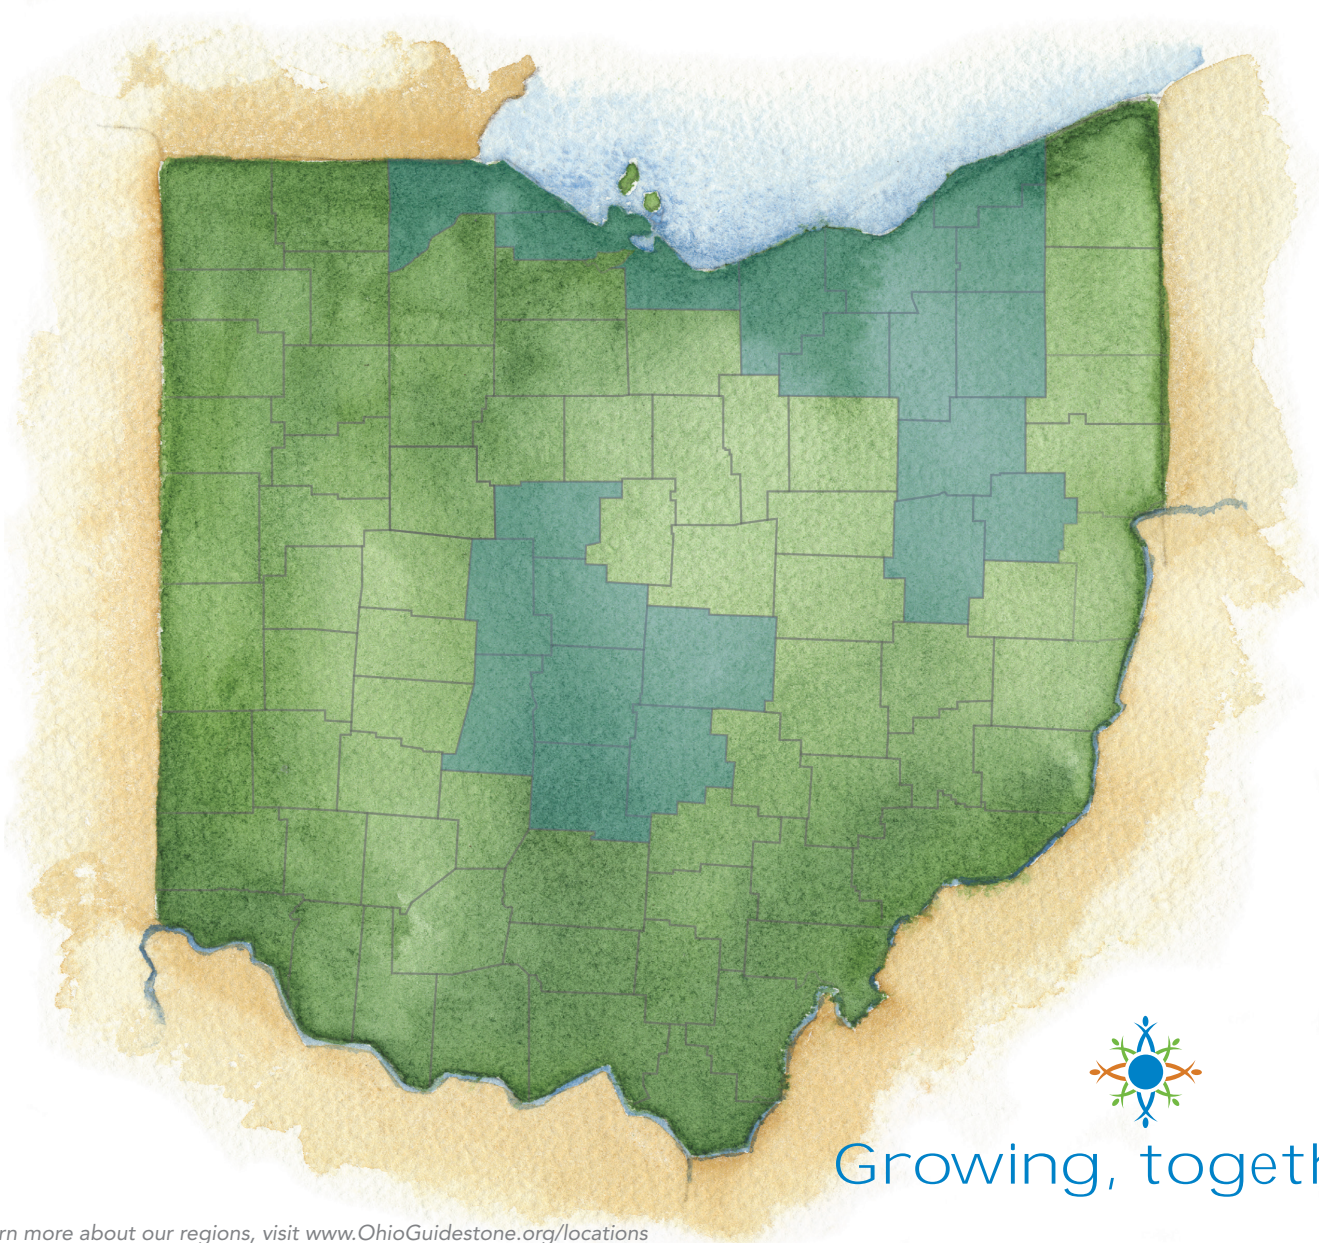

Our faith in the people we work with drives our organization forward. Our beginnings as an orphanage have not defined us, but rather rooted us in our mission to serve. Our current programs inspire change, impact lives and are the solution for community and individual problems such as drug dependency, illiteracy, poverty, instability and mental health.

Growing to help 32,000 community members across Ohio in the last year alone has not been easy. We continue to innovate, and constantly push ourselves forward to anticipate future community needs.

Our legacy is one of hope. Hope for the present, and hope for the future—that we all move forward, together.

# FROM OUR LEADERS

## From the CEO

In the last year, OhioGuidestone expanded client resources and strengthened our position as a source of knowledge and expertise for individuals and organizations across the state. OhioGuidestone structures programs with wrap-around services, caring for mind, body and soul. We look towards continuing this work, and look back at this year with pride. Together, we move forward to promote our mission and change lives.

## From the Board Chair

For the past three decades, my family has moved forward together with OhioGuidestone. It began with my grandmother, and continues today with myself. Each generation has served selflessly and with OhioGuidestone's mission in our hearts. Our legacy has led me to become the Board Chair. I am fortunate to be part of an organization that changes lives today and tomorrow.

# WORKFORCE 360°

## Forging pathways

Uncertainty. Brooke lived with it every day. Without support, single motherhood felt like freefalling. Then Brooke found OhioGuidestone's Workforce 360°, and learned how to help her family. It began with an education through Workforce 360°, where she gained her GED. Our caring and dedicated staff helped achieve her goal, but Brooke found that she wanted more. She joined Workforce 360°'s STNA (State Tested Nursing Assistant) program, and like more than 80 percent of Workforce 360° participants, she found a job. She built a financially secure future for her family. It gave her the hope that her future would only improve.

Seven years later, Brooke has accomplished more than she ever thought possible. When her mother passed during her schooling, she had OhioGuidestone Workforce 360° employees to counsel her through. She earned her LPN (licensed practical nurse) degree with their support. Her family grew to seven. She owns her own home. Her life continues to move forward with OhioGuidestone's help.

# RECOVERY 360°

## Securing futures

As Brooke continued to progress, she found security. She was supporting her family, she found a loving husband and was happy at work. Then she got a call. Her sister-in-law's drug dependency had spiraled—she could no longer care for her two children. They were in danger. Brooke knew it was her time to help her nieces on their journey just as OhioGuidestone helped her.

Drug dependency is sweeping through the state, leaving devastation in its wake. OhioGuidestone is helping those with drug addiction with a unique mix of services, tailored to the individual's needs. OhioGuidestone matches the individual with effective services that range from prevention to treatment that help break the cycle of addiction. These holistic services result in substantial changes in individuals' social connections and financial stability, contributing to long-term sobriety.

# FOSTER CARE

## Finding a steady hand to hold

Without hesitation, Brooke and her husband accepted their nieces into their loving home. Though the girls found it difficult to adjust, they were finally safe. Brooke had offered the girls a new chance at life.

The newness of a foster home can be overwhelming to a child, especially when they are medically fragile or have advanced needs. OhioGuidestone foster parents offer loving homes to children who are often victims of the drug epidemic in Ohio. Our services provide 24/7 support to foster parents and the children in their care.

# EARLY CHILDHOOD SERVICES

## Healing hearts

It soon became clear to Brooke that a loving home wasn't enough to undo the damage of her nieces' past. They needed help — and Brooke knew who to call. OhioGuidestone stepped into Brooke's life again.

OhioGuidestone's Early Childhood Mental Health services focus on rebuilding the joy in a child's life by teaching emotional, social and behavioral skills. Services result in less anxious, more engaged children as well as improved parent child relationships. Our programs empower parents to create stable and safe homes. OhioGuidestone leads the state as an expert in early childhood mental health interventions and treatment strategies, developing new tools and interventions to support families across the state.

### Inspiring lasting change

Brooke is proud of her life. She knows that her hard work built a foundation that her family can grow on. As she progresses with her life, she knows that OhioGuidestone staff and services are there for her, and that they will never give up until Brooke and her family find the joy that comes with self-sufficiency and accomplishment.

## CHARLES E. MOORE FUND

Charles E. Moore, affectionately known as Chuck, believed in OhioGuidestone's mission. Growing up in Olmsted Falls, he knew about OhioGuidestone and would take long walks amid our grounds. He made many friends and enjoyed connecting with clients and residents. His connection to OhioGuidestone lasted through the years. "During his walks, he would stop by and ask about the programs and how he could make a donation," said his sister Joanie Fenrich.

After his passing this year, Charles left a generous legacy gift, the Charles E. Moore Fund, to OhioGuidestone's Workforce 360° program. Established in October of 2017, the endowment fund will help continue this program for years to come. He truly was, as his sister remembered him, "one of the good guys."
