WHERE NEW PATHS BEGIN

# Medina County Services

OhioGuidestone, one of the largest behavioral health agencies in the state, has been helping individuals reset their paths, reclaim their autonomy and restore their purpose for over 155 years, providing community counseling, substance use disorder treatment, early childhood mental health services, psychiatric care, workforce development training and more.

We understand you're looking for a path to recovery that works and people who care, listen and want to help. We genuinely care about you; it's our mission to provide pathways for growth, achievement and lifelong success to everyone who walks through our office doors. We support you when and where you need it, maintaining our promise to be with you every step of the way.
