

THE 17th annual Kaleidoscope Breakfast fund-raiser for A Renewed Mind, a division of OhioGuidestone, at The Pinnacle on Oct. 5 raised \$70,000. Some 200 attendees enjoyed breakfast while shopping at the silent auction.

The program featured guest speaker **Kelly Wingate**, who adopted a 21-month-old girl found in an abandoned apartment, abused and neglected. Her daughter, who was diagnosed with Fetal Alcohol Spectrum Disorders and received services through DoubleARC, is now 28 years old. **Clinton Longenecker**, retired University of Toledo professor, asked folks to give beyond their abundance and who wouldn't, after hearing Kelly's story?

Honored was **Sr. Suzette Fisher, SND**, in her 30th year with DoubleARC, the non-profit organization that began the fund-raiser breakfast. (DoubleARC merged with A Renewed Mind in 2018.)

Community leaders were thanked. Volunteerism awards went to **Betty Heitger** and **Mike Schnapp**.

Media awards presented by **Matt Rizzo**, president, A Renewed Mind, went to **Karen Gerhardinger**, Maumee Mirror, **Melissa Voetsch**, 13ABC, and **London Mitchell**, Cumulus Broadcasting.
