One-of-a-Kind Youth Counseling Center Opens in Medina OhioGuidestone & Medina ADAMH Board Collaboration

OhioGuidestone, the state's leader in community behavioral health in partnership with the Medina County ADAMH (Alcohol, Drug Addiction and Mental Health) Board announces the opening of the new Youth Resiliency and Counseling Center serving children and families.

The Youth Resiliency & Counseling Center (YRCC) is a state-of-the-art 6,000 square foot space designed specifically for counseling which will involve unique therapies in addition to traditional counseling. The facility features creative rooms such as a sand room, an art room, a movement room, a playroom, and a calming room – all created for youth to engage in therapy in more ways than just through talk time. The facility also has a large, modern kitchen where families can practice positive interactions in an everyday task that can sometimes be stressful.
